

*Our Prayer Shawl Ministry is called the Healing Touch Ministry. We have several ladies who crochet, knit, and sew shawls and lap robes to give to relatives and friends who are experiencing health issues, sad events, or happy times in their lives. One gentleman prints our cards that accompany each shawl. Our shawls are placed on the altar and our whole congregation prays with the Pastor. So, actually, we are all members of the Prayer Shawl Ministry. If you have a relative or friend whom you feel needs a prayer shawl, contact Ladona Hancock at 863-635-1040. We need the first and last name of the recipient and the state they live in. If you want us to mail the shawl, we need a full address for them.*
